These restrictive covenants shall run with the land and shall be binding upon all parties thereto and all persons claiming under them, for a period of thirty (30) years from the date of recording of this instrument, at which time said restrictive covenant shall be automatically extended for successive periods of ten (10) years unless seventy percent (70%) or more of the owners and contract purchasers, by an instrument or instruments in writing duly signed and acknowledged by them, terminate said restrictive covenants insofar as they pertain to residential lots or building sites. Termination shall become effective upon the filing of such instrument of record, in the office of the Auditor in King County. - d.) The ground floor area of the main structure, exclusive of one story open porches and garages, shall not be less than thirteen hundred (1300) square feet for a one story dwelling, nor less than eight hundred (800) square feet for a completely finished dwelling of more than one story, and minimum of one thousand one hundred fifty (1150) square feet for a dwelling of more than one story, with an unfinished basement unless approved by the A.C.C.

- d.) No trees or shrubs of any type, other than those existing at the time these restrictive covenants are filed, shall be allowed to grow in height to a point where they shall noticeably and unreasonably interfere with a view from another residence. The A. C. C. shall be the sole judge in deciding whether there has been such unreasonable interference. Should the A. C. C. determine that there is an unreasonable interference, they shall notify the owner in writing, specifying the nature of the interference, what should be done to eliminate it, and the time by which said interference must be eliminated by the owner.

## ARTICLE 2 SECURITY AGREEMENT

**2.1 Grant of Security Interest.** This Deed of Trust creates a lien on the Collateral, and constitutes an absolute assignment of the Rents, Issues and Profits and of the Leases, all in favor of Lender. To the extent that any part of the Collateral, including the Rents, Issues and Profits and the Leases, are or are determined to be personal property, Borrower, as debtor, hereby grants to Lender, as secured party, a security interest in such part of the Collateral as is determined to be personal property, to secure payment and performance of the Secured Obligations. As to such personal property, this Deed of Trust constitutes a security agreement under the Uniform Commercial Code of the state where the Project is located (the "Project State").

**2.2 Perfection of Security Interest.** Borrower hereby authorizes Lender to file one or more financing statements, continuation statements, financing statement amendments, and such other documents as Lender may from time to time require to perfect and continue the perfection of Lender's security interest

in any part of the Collateral. Borrower shall pay all fees and costs that Lender may incur in filing such documents in public offices and in obtaining such record searches as Lender may reasonably require. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall not be construed as in any way derogating from or impairing the declaration and the stated intention of the parties hereto that the Collateral and all components thereof are, to the maximum extent possible, real property, or otherwise impair the rights or obligations of the parties under this Deed of Trust.

**2.3 Fixture Filing.** This Deed of Trust constitutes a financing statement filed as a fixture filing under the Uniform Commercial Code in effect in the Project State, as amended or recodified from time to time, covering any part of the Collateral that now is or later may become fixtures attached to the Land or Improvements. As this Deed of Trust secures advances to be used either for the acquisition of the Land or the construction of improvements thereon, or both, this Deed of Trust also constitutes a "construction mortgage" or "construction deed of trust" under the Uniform Commercial Code in effect in the Project State.

**2.4 Nature of Collateral.** Borrower and Lender agree that the filing of a financing statement in the records having to do with personal property shall never be construed as in any way derogating from or impairing the declaration and the stated intention of the parties hereto that the Collateral and all components thereof are, to the maximum extent possible, real property, subject to Lender's right on default to exercise, in any manner permitted by applicable law, those remedies (a) available to Lender under this Deed of Trust, (b) available to Lender as a secured party under the provisions of the UCC, or (c) otherwise provided for by law or available in equity. Whenever Lender's security is deemed to include personal property, Lender shall be entitled to foreclose against such property in connection with and as a part of any judicial or nonjudicial proceeding against the real property secured hereby, the parties hereby acknowledging that such foreclosure constitutes a commercially reasonable method of selling such property, or, in Lender's sole discretion and as permitted by applicable law, to pursue any and all other remedies afforded a secured party under the UCC or other applicable law. Upon the occurrence of an Event of Default, Borrower agrees to assemble all such property and make it available to the Trustee or Lender as secured party at a place to be designated by such party that is reasonably convenient to all parties.

### ARTICLE 3 ASSIGNMENTS

#### 3.1 Assignment of Leases and Rents.

**3.1.1 Assignment.** Borrower hereby irrevocably, presently, absolutely and unconditionally assigns and transfers to Lender: (a) the Rents, Issues and Profits, whether now due, past due, or to become due, together with the right, power, and authority to collect the same, (b) all Leases by or through Borrower as lessor, written or oral, now in existence or hereafter arising, and any and all extensions or renewals thereof, together with the right, power and authority of Borrower to alter, modify, or change the terms thereof or surrender, cancel, or terminate the same, and (c) any and all guarantees of any obligations of any lessee under any of the Leases (a "*Lessee*"). The assignments in this Section are absolute irrevocable assignments from Borrower to Lender and not merely the passing of security interests or assignments for security only.

**3.1.2 Grant of License.** Lender hereby confers upon Borrower a license ("*License*") to collect and retain the Rents, Issues and Profits as they become due and payable, and to administer the Leases, so long as no Event of Default, as defined below, exists and is continuing. If an Event of Default has occurred and is continuing, such License shall automatically terminate without notice to or demand upon Borrower and without regard to the adequacy of Lender's security under this Deed of Trust.

**3.1.3 Collection and Application of Rents, Issues and Profits.** Subject to the License granted to Borrower, Lender has the right, power, and authority to collect any and all Rents, Issues and Profits and administer the Leases. Borrower hereby appoints Lender its attorney-in-fact, coupled with an interest, to, at such times as Lender may choose in its sole discretion: (a) demand, receive and enforce payment of any and all Rents, Issues and Profits; (b) give receipts, releases, and satisfactions for any and all Rents, Issues and Profits; (c) sue either in the name of Borrower and/or in the name of Lender for any and all Rents, Issues and Profits; (d) perform any obligation, covenant or agreement of Borrower under any of the Leases, and, in exercising any of such obligations, pay all necessary costs and expenses, employ counsel and incur and pay attorneys' fees; (e) delegate any and all rights and powers given to Lender by this assignment of Leases and Rents; (f) appear in any bankruptcy, insolvency or reorganization proceeding involving any Lessee and to collect any award or payment due Borrower pursuant to any such proceeding; and/or (g) use such measures, legal or equitable, as in its discretion may carry out and effectuate the terms

and intent of this assignment. Lender's right to the Rents, Issues and Profits does not depend on whether or not Lender takes possession of the Project as permitted hereunder.

**3.1.4 Borrower as Trustee.** From and after the occurrence of an Event of Default, Borrower shall be the agent of Lender in collection of the Rents, Issues and Profits, and any Rents, Issues and Profits so collected by Borrower shall be held in trust by Borrower for the sole and exclusive benefit of Lender, and Borrower shall, within one (1) business day after receipt of any Rents, Issues and Profits, pay the same to Lender to be applied by Lender to the Loan.

**3.1.5 Lender Not Responsible.** Under no circumstances shall Lender have any duty to produce Rents, Issues and Profits from the Project. Regardless of whether or not Lender, in person or by agent, takes actual possession of the Project, Lender is not and shall not be deemed to be: (a) a "mortgagee in possession" for any purpose; (b) responsible for performing any of the obligations of the lessor under any Lease; (c) responsible for any waste committed by Lessees or any other parties, any dangerous or defective condition of the Project, or any negligence in the management, upkeep, repair, or control of the Project; (d) responsible for any loss sustained by Borrower resulting from Lender's failure to lease the Land or Improvements or from any other act or omission of Lender in managing the Project or administering the Leases; or (e) liable in any manner for the Project or the use, occupancy, enjoyment or operation of all or any part of it, except for such matters as may arise solely from the willful misconduct or bad faith of Lender.

**3.1.6 Payment of Rents Directly to Lender.** At any time, Lender may, at its option, notify any tenant or other parties of the existence of this assignment of Leases and Rents, Issues and Profits. Borrower hereby specifically authorizes, instructs, and directs each and every present and future Lessee of all or any part of the Land or Improvements to pay all unpaid and future Rents, Issues and Profits directly to Lender upon receipt of demand from Lender to so pay the same, and Borrower hereby agrees that each such present and future tenant, lessee and licensee may rely upon such written demand from Lender to so pay the Rents, Issues and Profits without any inquiry into whether there exists an Event of Default or whether Lender is otherwise entitled to the Rents, Issues and Profits. No proof of the occurrence of an Event of Default shall be required. Borrower hereby waives any right, claim or demand that Borrower may now or hereafter have against any present or future Lessee by reason of such payment of Rents, Issues and Profits to Lender, and any such payment shall discharge Lessee's obligation to make such payment to Borrower. For purposes of RCW 61.24.140, this Section constitutes written consent by Borrower, as landlord under the Leases, to the payment of Rents, Issues and Profits directly from the Lessees to Lender.

**3.1.7 Leasing.** Borrower shall not lease the Project or any part of it unless permitted under the Loan Agreement, and then only strictly in accordance with the Loan Agreement. If any leasing is permitted, Borrower shall not accept any deposit or prepayment under any Lease for any rental period exceeding one month, without Lender's prior written consent. Additionally, if the Project is a condominium and leasing of condominium units is permitted, Borrower shall take all actions necessary to ensure that its leasing activities do not render the Project a "conversion condominium" under applicable law.

**3.1.8 Rights of Tenants.** Lender shall have the right at its option to foreclose this Deed of Trust subject to the rights of any tenant or tenants on the Project.

**3.1.9 Indemnity.** Borrower shall indemnify, defend with counsel selected by Lender in its sole discretion, and hold Lender harmless from and against any and all claims, demands, liabilities, losses, lawsuits, judgments, damages, costs and expenses, including, without limitation, attorneys' fees and costs, to which Lender may be exposed or which Lender may incur in exercising any of its rights under this assignment.

**3.1.10 Representations and Warranties of Borrower.** Borrower represents and warrants to Lender that:

**3.1.10.1 No Prior Assignments.** There have been no prior assignments of its rights, title, and interest in, to, and under the Leases or the Rents, Issues and Profits;

**3.1.10.2 Authority.** Borrower has full power and authority to assign its rights, title, and interest in, to, and under the Leases and the Rents, Issues and Profits to Lender, and no consents or approvals of any other person or entities are necessary for Borrower to validly execute, deliver, and perform this assignment; and

**3.1.10.3 No Defaults or Modifications.** All covenants, conditions, and agreements set forth in the Leases and the Rents, Issues and Profits have been performed as required as of the date hereof and neither Borrower nor any other party is in default thereunder. Borrower shall not amend or modify any of the terms and conditions of the Leases without the prior written approval of Lender, nor shall Borrower assign, transfer, mortgage, or otherwise convey or encumber any of its rights, title, or interest in, to, or under the Leases or the Rents, Issues and Profits so long as any of the Secured Obligations remain unfulfilled.

**3.1.11 Application of Rents, Issues and Profits.** All Rents, Issues and Profits received by Lender shall be applied by Lender to the Secured Obligations in any order of application determined by Lender in its sole discretion. Lender shall have no liability for any Rents, Issues and Profits that it does not actually receive.

**3.2 Assignment of Permits, Contracts, and Plans.** In addition to and without in any way derogating from the security interest granted Lender in the Collateral, Borrower hereby assigns, grants, transfers, and sets over unto Lender, Borrower's right, title, and interest in, to, and under any and all Permits, Contracts and Plans.

**3.2.1 Security for Loan.** This assignment is made as additional security for the payment and performance of all of the Secured Obligations.

**3.2.2 Liabilities.** Lender does not assume any obligations or duties of Borrower under the Permits, Contracts and Plans unless and until Lender has been given written notice to Borrower that Lender is exercising its right to complete or cause the completion of construction of the Project in accordance with the terms of the Loan Documents. If Lender does not directly undertake to complete development or construction of the Project, Lender may assign such Permits, Contracts and Plans to, and such obligations and duties of Borrower in connection with the Permits, Contracts and Plans shall be assumed by, the person or entity designated by the Lender for the purpose of completing such development or construction, and Lender shall have no liability whatsoever for the performance of any such obligations or duties.

**3.2.3 Representations and Warranties of Borrower.** Borrower represents and warrants to Lender that:

**3.2.3.1 No Prior Assignments.** There have been no prior assignments of its rights, title, and interest in, to, and under the Permits, Contracts and Plans;

**3.2.3.2 Authority.** Borrower has full power and authority to assign its rights, title, and interest in, to, and under the Permits, Contracts and Plans to Lender, and no consents or approvals of any other person or entities are necessary for Borrower to validly execute, deliver, and perform this assignment; and

**3.2.3.3 No Defaults or Modifications.** All covenants, conditions, and agreements set forth in the Permits, Contracts and Plans have been performed as required as of the date hereof and neither Borrower nor any other party is in default thereunder. Borrower shall not amend or modify any of the terms and conditions of the Permits, Contracts and Plans without the prior written approval of Lender, nor shall Borrower assign, transfer, mortgage, or otherwise convey or encumber any of its rights, title, or interest in, to, or under the Permits, Contracts and Plans so long as any of Borrower's obligations under the Loan Documents remain unfulfilled.

**3.2.4 Attorney-in-Fact.** Borrower hereby irrevocably constitutes and appoints Lender as its attorney-in-fact, upon the occurrence of any Event of Default, to demand, receive, and enforce any and all of Borrower's rights under and with respect to the Permits, Contracts and Plans, and to perform any and all acts with respect to the Permits, Contracts and Plans that Lender deems necessary or desirable with the same force and effect as if performed by Borrower in the absence of this assignment.

**3.2.5 Assignment for Security.** This assignment is for security purposes only. Lender shall have no right pursuant to this assignment to enforce Borrower's rights with respect to the Permits, Contracts and Plans until the occurrence of an Event of Default. Upon the occurrence of any Event of Default, Lender, without affecting any of its rights or remedies against Borrower under any other instrument, document, or assignment, may exercise its rights under this assignment or in any other manner permitted by applicable law, and in addition, Lender shall have and possess, without limitation, any and all rights and remedies of a secured party under the UCC or as otherwise provided by law.

**3.2.6 Indemnity.** Borrower shall indemnify, defend with counsel selected by Lender in its sole discretion, and hold Lender harmless from and against any and all claims, demands, liabilities, losses, lawsuits, judgments, damages, costs and expenses, including, without limitation, attorneys' fees and costs, to which Lender may be exposed or which Lender may incur in exercising any of its rights under this assignment.

#### ARTICLE 4 RIGHTS AND DUTIES OF THE PARTIES

**4.1 Performance of Secured Obligations.** Borrower shall promptly pay and perform each Secured Obligation in accordance with its terms.

**4.2 Representations and Warranties.** Borrower represents and warrants that, except as previously disclosed and accepted by Lender in writing:

**4.2.1 Title to Land and Improvements.** Borrower holds fee simple title to all of the Land and Improvements, subject only to such exceptions and encumbrances as have been approved in writing by Lender (the "*Permitted Exceptions*"), and Borrower has or will have good title to all portions of the Collateral other than the Land and Improvements.

**4.2.2 Title to Personal Property.** Borrower owns any portion of the Collateral that is personal property free and clear of any security agreements, reservations of title, or conditional sales contracts, and there is no financing statement affecting such personal property on file in any public office other than in Lender's favor.

**4.2.3 Right to Encumber/Priority.** Borrower has the full and unlimited power, right, and authority to encumber the Collateral and assign the Rents, Issues and Profits, the Leases, and the Permits, Contracts and Plans. Upon recording of this Deed of Trust and filing of a UCC Financing Statement with respect to any portion of the Collateral that is determined to be personal property, this Deed of Trust will create a first and prior lien on the Collateral that is subject and subordinate to no other liens except for the Permitted Exceptions.

**4.2.4 Commercial Purposes.** The Loan and the other Secured Obligations were obtained by Borrower and will continue to be used for commercial or business purposes, other than agricultural, timber, or grazing purposes, and not for personal, family or household purposes.

**4.2.5 Leases and Permits, Contracts, and Plans.** True, correct, and complete copies of the Leases and the Permits, Contracts and Plans have been delivered to Lender, including all amendments, modifications, exhibits and addenda thereto, and no default exists under any of the Leases or the Permits, Contracts and Plans by any party, and no fact or circumstance exists under any of the Leases or the Permits, Contracts and Plans that, with the lapse of time or giving of notice or both, would constitute a default by any party under such Leases or the Permits, Contracts and Plans.

**4.3 Taxes and Assessments.** Borrower shall pay or cause to be paid when due, all general real and personal property taxes, special and supplemental real and personal property taxes and assessments, license fees, license taxes, levies, charges, penalties, or other taxes or similar impositions imposed by any public or quasi-public authority or utility company that are or may become a lien upon the Collateral or any portion thereof or interest therein, or that may cause any decrease in the value of the Collateral or any part of it. Borrower shall also pay when due all real property taxes, assessments, levies, and charges imposed by any public authority upon Lender by reason of its interest in the Collateral created hereby. All of the foregoing taxes, assessments, and other charges payable by Borrower with respect to the Collateral are collectively referred to as the "*impositions*." **4.4 Liens, Charges and Encumbrances.** Borrower shall not encumber or permit the encumbrance of the Collateral without Lender's prior written consent, and Borrower shall immediately discharge any lien on the Collateral to which Lender has not consented in writing. Borrower shall pay or cause to be paid when due all obligations secured by or reducible to liens and encumbrances that now or hereafter encumber or appear to encumber the Collateral or any part thereof, all claims for work or labor performed, or materials or supplies furnished, in connection with any work upon the Project, whether the lien, charge, or encumbrance is or would be senior or subordinate to this Deed of Trust; *provided, however*, that Borrower shall not be in default hereunder due to any such lien, charge, or encumbrance that is a

Permitted Exception. Lender hereby expressly reserves the right to advance any and all funds necessary to cure any and all such obligations, and/or claims.

**4.5 Required Insurance.** Borrower shall keep the following insurance coverages in effect with respect to the Collateral:

(a) builder's risk insurance against loss by fire and the hazards now or hereafter embraced by the standard "All Risk" form of insurance, including course of construction insurance covering theft of materials, in an amount equal at all times to the full insurable value of the Improvements. All such insurance coverage shall contain a "replacement cost endorsement" without reduction for depreciation, and shall also contain loss of rents and/or business interruption insurance coverage, a fluctuating value endorsement with a waiver of the co-insurance clause (or an agreed amount endorsement with an inflation guard endorsement), and shall contain such other endorsements as Lender may reasonably request. All such endorsements shall be in form and substance satisfactory to Lender;

Each insurance policy shall be with a company and in a form acceptable to Lender. Each hazard insurance policy shall include a Form 438BFU or equivalent mortgagee endorsement in favor of Lender. Each liability insurance policy shall name Lender as an additional insured. All required policies will provide for at least ten (10) days' written notice to Lender prior to the effective date of any cancellation or material amendment, including any reduction in the scope or limits of coverage. Borrower shall furnish to Lender the original of each required insurance policy, or a certified copy thereof together with a certificate of insurance setting forth the coverage, the limits of liability, the carrier, the policy number, and the expiration date. At least thirty (30) days prior to the expiration date of each such policy, Borrower shall furnish to Lender a renewal policy in a form acceptable to Lender, together with evidence that the renewal premium has been paid. **4.6.1.2 Warranty Claims.** All awards, claims, and causes of action arising out of any warranty affecting all or any part of the Collateral, or for damage or injury to or decrease in value of all or part of the Collateral or any interest in it; and

**4.6.1.3 Insurance Proceeds.** All proceeds of any insurance policies payable because of damage or loss sustained to all or part of the Collateral.

**4.6.2 Notice to Lender.** Borrower shall immediately notify Lender in writing if: (i) any damage occurs or any injury or loss is sustained to all or part of the Collateral, whether or not covered by insurance or warranty, or any action or proceeding relating to any such damage, injury, or loss is commenced; or (ii) any offer is made, or any action or proceeding is commenced, that relates to any actual or proposed condemnation or taking of all or part of the Collateral.

**4.6.3 Pursuit of Claims.** Borrower shall pursue recovery of all Claims and defend its rights under any proceeding for condemnation of the Collateral or any part thereof and prosecute the same with due diligence to its final disposition, and shall cause any awards or settlements to be paid over to Lender for disposition pursuant to the terms of this Deed of Trust. Lender may, at Lender's option and in Lender's sole discretion, as attorney-in-fact for Borrower, make proof of loss and adjust and compromise any Claims, appear in or prosecute any action or proceeding to enforce the Claims, or participate in any action or proceeding relating to condemnation or taking of all or part of the Collateral, and may join Borrower in adjusting any loss covered by insurance. Borrower shall deliver or cause to be delivered to Lender such instruments as may be requested by Lender from time to time to permit Lender to take any such actions.

**4.6.4 Application of Proceeds.** All proceeds of the Claims that Borrower may receive or be entitled to receive shall be paid to Lender. Lender shall apply any proceeds received by it hereunder first to the payment of the reasonable costs and expenses incurred in the collection of the proceeds. Lender shall then apply the remaining balance of such proceeds (the "**Net Claims Proceeds**"), in its absolute discretion and without regard to the adequacy of its security: (i) to any of the Secured Obligations, notwithstanding the fact that Secured Obligations may not be due according to the terms thereof; (ii) to reimburse Borrower for the costs of reconstructing the Improvements or otherwise repairing or restoring the Collateral; or (iii) to Borrower. Notwithstanding the foregoing, if there are no outstanding Events of Default under any of the Loan Documents and Borrower establishes, to Lender's reasonable satisfaction, that Borrower has sufficient funds, including the Net Claims Proceeds, to fully rebuild or repair the Collateral within the remaining term of the Loan and without delaying the completion date of the Project, Lender shall make disbursements of the Net Claims Proceeds for purposes of repair or restoration of the Collateral in accordance with disbursement procedures and subject to disbursement conditions acceptable to Lender. If, after applying the Net Claims Proceeds to the Secured Obligations, Lender reasonably determines the remaining Collateral to be inadequate to secure the remaining Secured Obligations, Borrower shall, upon written demand from Lender, repay an amount that will reduce the remaining Secured Obligations to a balance for which adequate security is present.

**4.6.5 Restoration.** Whether or not Net Claims Proceeds are disbursed for reconstruction, restoration, or repair of the Collateral, Borrower shall promptly and diligently restore the Collateral to the equivalent of its condition immediately prior to the casualty or condemnation in accordance with the Plans or to such other condition as Lender may approve in writing.

**4.7 Maintenance and Preservation of the Collateral.** Borrower covenants: (a) to maintain and preserve the Collateral in good condition and repair and in a prudent businesslike manner; (b) not to remove, demolish, or structurally alter the Collateral or any part thereof, or alter, restore or add to the Collateral, or initiate or allow any change in any zoning or other land use classification that affects the Collateral or any part of it, except with Lender's express prior written consent, and except such alterations as may be required by laws, ordinances, rules, regulations, or orders of governmental authorities or by the terms hereof; (c) to comply with and not suffer violations of any existing or future subdivision laws, building codes, zoning laws and regulations, and other laws, regulations, ordinances, rules, codes, orders, directives, guidelines, building restrictions, and requirements of, and all agreements with and commitments to, all federal, state, county or municipal governmental, judicial or legal authorities or agencies having jurisdiction over Borrower or the Project, including those pertaining to the construction, sale, lease, or financing of the Improvements, and all recorded covenants and restrictions affecting the Project (the "**Requirements**"); (d) not to commit or permit any waste to or deterioration of the Collateral; (e) to perform all other acts that from the character or use of the Collateral may be reasonably necessary to maintain and preserve its value; (f) to perform all obligations required to be performed under the Loan Documents, and all other obligations of Borrower pertaining to the Collateral; and (g) to execute and, where appropriate, acknowledge and deliver such further instruments as Lender or Trustee may deem necessary or appropriate to preserve, continue, perfect, and enjoy the security provided for herein.

**4.8 Defense and Notice of Actions; Costs.** Borrower shall, without liability, cost, or expense to Lender or Trustee, protect, preserve, and defend Borrower's fee interest in and to the Project and Borrower's interest in the Collateral, the security of this Deed of Trust, any additional or other security for the Secured Obligations, and the rights or powers of Lender or Trustee hereunder, against all adverse claims. Said protection, preservation, and defense shall include, without limitation, protection, preservation, and defense against all adverse claimants to and encumbrancers of Borrower's interest in the Collateral, whether or not such claimants or encumbrancers assert an interest paramount to that of Lender. Borrower shall give Lender and Trustee prompt notice in writing of the filing of any such action or proceeding. Borrower shall pay all costs, fees, and expenses, including, without limitation, costs of evidence of title, trustees' fees, and

reasonable attorneys' fees paid or incurred in any action or proceeding in which Lender and/or Trustee may appear or be made a party, whether or not pursued to final judgment, and in any exercise of the power of sale or other remedy contained herein, whether or not such sale is actually consummated or such other remedy is actually prosecuted to completion.

**4.9 Right of Inspection.** Lender, its agents, employees, and representatives shall have the right to enter the Project at any reasonable time for the purpose of inspecting the Project and ascertaining Borrower's compliance with the terms hereof and the other Loan Documents, and for such other purposes and in accordance with the terms specified in any of the other Loan Documents.

**4.10 Compensation, Exculpation, Indemnification.** Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, becomes a public record as provided by law.

**4.10.1 Compensation.** Borrower agrees to pay fees in the maximum amounts legally permitted, or reasonable fees as may be charged by Lender and Trustee when the law provides no maximum limit, for any services that Lender or Trustee may render in connection with this Deed of Trust, including, without limitation, trustees' fees and related recording and other costs for full and partial reconveyances of this Deed of Trust. Borrower further agrees to pay or reimburse Lender for all costs, expenses, and other advances that may be incurred or made by Lender or Trustee in any efforts to enforce any terms of this Deed of Trust, whether any lawsuit is filed or not, or in defending any action or proceeding arising under or relating to this Deed of Trust, including attorneys' fees and other legal costs, costs of any Foreclosure Sale (as defined below) or bankruptcy proceeding affecting the Borrower or the Collateral, and any cost of evidence of title.

**4.10.2 Exculpation.** Lender shall not be directly or indirectly liable to Borrower or any other person as a consequence of: (i) Lender's exercise of or failure to exercise any rights, remedies, or powers granted to it in this Deed of Trust or to perform or discharge any obligation or liability of Borrower under any agreement related to the Collateral or under this Deed of Trust; or (ii) any loss sustained by Borrower or any third party resulting from any act or omission of Lender in managing the Project, unless the loss is caused solely by the willful misconduct or bad faith of Lender. Borrower hereby expressly waives and releases all liability of the types described above, and agrees that no such liability shall be asserted against or imposed upon Lender.

**4.10.3 Indemnification.** Borrower agrees to indemnify Trustee and Lender against, defend with counsel selected by Trustee or Lender for their respective defenses, and hold each of them and their respective officers, employees, agents, and representatives, harmless from and against any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees, and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses that either may reasonably suffer or incur: (i) in performing any act required or permitted by this Deed of Trust or any of the other Loan Documents or by law; (ii) as a result of any Event of Default; or (iii) because of any alleged obligation of or undertaking by Lender to perform or discharge any of the representations, warranties, conditions, covenants, or other obligations in any document relating to the Collateral other than the Loan Documents. This agreement by Borrower to indemnify Trustee and Lender shall survive the release and cancellation of any or all of the Secured Obligations and the full or partial release and/or reconveyance of this Deed of Trust.

**4.10.4 Payment by Borrower.** Borrower shall fulfill all obligations to pay money arising under this Section immediately upon demand by Trustee or Lender. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest from the date the obligation arises at the rate applicable to the principal balance of the Note, as such rate may be adjusted.

**4.11 Permitted Actions.**

**4.11.1 Releases, Extensions, Modification, and Additional Security.** From time to time, Lender may perform any of the following acts without incurring any liability or giving notice to any person: (i) release any person liable for payment of any Secured Obligation; (ii) extend the time for payment, or otherwise alter the terms of payment, of any Secured Obligation; (iii) accept additional real or personal property of any kind as security for any Secured Obligation; or (iv) alter, substitute, or release all or any portion of the Collateral.

**4.11.2 Powers of Trustee.** From time to time when requested to do so by Lender in writing, Trustee may perform any of the following acts without incurring any liability or giving notice to any person and without affecting the personal liability of any person for payment or performance of any of the

Secured Obligations: (i) consent to the making of any plat or map of the Project or any part of it; (ii) join in granting any easement or creating any covenant or restriction affecting the Project; (iii) join in any extension, subordination, or other agreement affecting this Deed of Trust or the lien of it; or (iv) reconvey, without any warranty, all or any part of the Collateral, upon Lender's written request.

**4.12 Partial Reconveyance/Conditions of Partial Release.** Upon Borrower's fulfillment of all of the terms and conditions set forth in the Loan Documents, Lender agrees, upon the written request of Borrower and satisfaction of the following release conditions, to direct Trustee to execute and deliver a partial reconveyance releasing from the lien of this Deed of Trust each of the separate Lots or Units that collectively constitute the Land (each Lot/Unit to be released is hereinafter referred to as a "**Release Unit**"): (i) there does not exist any uncured default under any of the Loan Documents or any event which, following notice and/or the expiration of any applicable cure period without a cure, would constitute a default thereunder, (ii) the Release Unit and the real property remaining subject to the Deed of Trust constitute legal and separately conveyable parcels or condominium units or common elements with reasonable and adequate access to public streets and utilities, in accordance with the Plans, (iii) Lender has received the release price for the Release Unit established in the Loan Documents (the "**Release Price**") and all other amounts currently due Lender pursuant to the terms of any of the Loan Documents, and (iv) Borrower pays all trustees' fees and recording and other costs associated with such reconveyance. Except as specifically provided in the Loan Documents, Lender shall not be obligated to reconvey the lien of the Deed of Trust, in whole or in part, until it has received payment in full of the Note and all amounts due Lender under any of the Loan Documents. Lender's acceptance of any payment or instruction to the Trustee to issue any partial reconveyance shall not affect Borrower's obligation to repay all amounts that remain owing under the Loan Documents or the security of this Deed of Trust regarding any Collateral that is not reconveyed. If Lender does not require satisfaction of all of the conditions set forth above before releasing one or more Release Units, that alone shall not be a waiver of such conditions, and Lender reserves the right to require their satisfaction in full before releasing any additional Lots or Units from this Deed of Trust.

**4.13 Full Reconveyance.** When all of Borrower's obligations under the Loan Documents have been paid in full and there exists no default under any Related Loan, Lender shall request Trustee in writing to reconvey the Collateral, and shall surrender this Deed of Trust and the Note to Trustee. When Trustee receives Lender's written request for reconveyance and all reconveyance fees, recording fees, and other fees and expenses owing to it by Borrower hereunder, Trustee shall reconvey the Collateral, or so much of it as is then held under this Deed of Trust, without warranty to the person or persons legally entitled to it. In the reconveyance, the grantee may be described as "the person or persons legally entitled thereto," and the recitals of any matters or facts shall be conclusive proof of their truthfulness. Neither Lender nor Trustee shall have any duty to determine the right of persons claiming to be rightful grantees of any reconveyance.

**4.14 Late Charge.** If Borrower fails to make any payment of an amount due and payable under this Deed of Trust, a late charge as specified in the Note may be charged by Lender for the purpose of defraying the extra administrative expenses incident to handling such delinquent payment and the loss of the use of funds resulting from Borrower's non-payment when due.

**4.15 Subrogation.** Lender shall be subrogated to the liens of all encumbrances, whether released of record or not, that are discharged in whole or in part by Lender in accordance with this Deed of Trust or with the proceeds of the Loan.

**4.16 Notice of Change.** Borrower shall give Lender prior written notice of any change in: (i) the location of its place of business or its chief executive office if it has more than one place of business; (ii) the location of any of the Collateral, including the Books and Records; and (iii) Borrower's name or business structure. Unless approved by Lender in writing, all Collateral that consists of personal property (other than the Books and Records) will be located at the Project and all Books and Records will be located at Borrower's place of business, or chief executive office if Borrower has more than one place of business.

**4.17 Substitution of Trustee.** Lender may appoint a successor trustee by an instrument executed and acknowledged by Lender and recorded in the county in which this Deed of Trust is recorded, and upon such recordation, the successor trustee shall become vested with the same powers, rights, duties, and authority of the Trustee with the same effect as if originally made Trustee hereunder.

## ARTICLE 5 DEFAULTS AND REMEDIES

**5.1 Events of Default.** The occurrence of any one or more of the following events shall constitute an "**Event of Default**" (some or all, collectively, "**Events of Default**"):

**5.1.1 Default Under Loan Documents.** An Event of Default occurs as defined under the Loan Agreement or any other Loan Document.

**5.1.2 Unauthorized Transfer.** A transfer, purported transfer, or change of ownership or control of Borrower in violation of the provisions of this Deed of Trust.

**5.1.3 Default Under Related Loan Documents.** An Event of Default occurs as defined in and arising under any Related Loan Document.

**5.2 Rights and Remedies.** At any time after the occurrence of an Event of Default hereunder, Lender and/or Trustee shall have all of the rights and remedies described below, in addition to any other rights and remedies of Lender under the Loan Agreement, the other Loan Documents, or the Related Loan Documents:

**5.2.1 Receiver.** Without regard to the then-current value of the Collateral or the interest of Borrower therein, Lender may apply to any court having jurisdiction to appoint receivers for appointment of a custodial or general receiver (at Lender's sole election) for the Collateral or any portion thereof. Any appointment of a general receiver shall grant the general receiver a power of sale over the Collateral. Borrower hereby irrevocably consents to the appointment of a custodial receiver or general receiver with power of sale upon any Event of Default. Any such receiver shall have the usual powers and duties of receivers in like or similar cases, all the powers and duties of Lender set forth in this Deed of Trust or any of the other Loan Documents, and, in the case of a general receiver, a right to sell the Collateral at Lender's direction. Employment by Lender shall not disqualify a person from serving as receiver.

**5.2.2 Cure; Protection of Security.** With or without notice, and without releasing Borrower from any obligation hereunder, Lender may (but shall not be obligated to) cure any breach or default of Borrower, and do any and all other things that it may in its sole discretion consider necessary and appropriate to protect the security of this Deed of Trust.

**5.2.3 Entry.** Lender, in person, by agent, or by court-appointed receiver, with or without bringing any action or proceeding, may terminate Borrower's right and license to collect the Rents, Issues and Profits and to administer the Leases, and enter, take possession of, complete construction on, manage and operate, and lease or sell, all or any part of the Collateral, and may also do any and all other things in connection with those actions that Lender may in its sole discretion consider necessary or appropriate to protect the security of this Deed of Trust or that are otherwise permitted to be taken or conducted by Lender under the Loan Agreement. If Lender so requests, Borrower shall assemble any Collateral that has been removed from the Project and make all of it available to Lender at the Project site. The entering upon and taking possession of the Project, the collection of the Rents, Issues and Profits and the application thereof, or any of such acts, shall not cure or waive any default or notice of default hereunder or invalidate any other right or remedy that Lender may have in response to such default or pursuant to such notice and, notwithstanding the continued possession of the Project or the collection, receipt, and application of the Rents, Issues and Profits by Lender, Trustee, or Lender's receiver or agent, Trustee or Lender shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon the occurrence of any Event of Default.

**5.2.4 Uniform Commercial Code Remedies.** With respect to all or any part of the Collateral that constitutes personal property, Lender shall have all of, and may exercise any or all of, the rights and remedies of a secured party under the Uniform Commercial Code in effect in the Project State.

**5.2.5 Judicial Action.** Lender may commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Borrower hereunder, and Borrower agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that Borrower waives the defense of laches and any applicable statute of limitations. If this Deed of Trust is foreclosed by judicial action, and the Collateral sold at a foreclosure sale, the purchaser may, during any applicable redemption period, make such repairs or alterations to the Project as may be reasonably necessary for the proper operation, care, preservation, protection, and insuring thereof. Any sums so paid, together with interest thereon from the time of such expenditure at the lesser of the default rate under the Note, or the maximum rate permitted by law, shall be added to and become a part of the amount required to be paid for redemption from such sale. In addition, Lender will be entitled to a judgment providing that, if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for the deficiency.

**5.2.6 Realization on Security.** Lender may resort to and realize upon or waive the security hereunder and any other security now or hereafter held by Lender in such order and manner as Trustee and Lender or either of them may, in their sole discretion, determine, and resort to such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both.

**5.2.7 Power of Sale.** Upon the occurrence of an Event of Default, Lender may cause Trustee to invoke Trustee's power of sale to cause all or part of the Collateral to be sold to satisfy the Secured Obligations. Under this power of sale, Lender and Trustee shall have the discretionary right to cause some or all of the Collateral, including any Collateral that constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

**5.2.7.1 Sales of Personal Property.** For purposes of this power of sale, Lender may elect to treat as personal property any Collateral that is intangible or that can be severed from the Land or Improvements without causing structural damage. If it chooses to do so, Lender may dispose of any personal property separately from the sale of real property, in any manner permitted by the Uniform Commercial Code in effect in the Project State, including any public or private sale, or in any manner permitted by any other applicable law. Any proceeds of any such disposition shall not cure any Event of Default or reinstate any Secured Obligation.

**5.2.7.2 Trustee's Sales of Real Property or Mixed Collateral.** Lender may also choose to dispose of some or all of the Collateral that consists solely of real property in any manner then permitted by applicable law. In its discretion, Lender may also or alternatively choose to dispose of some or all of the Collateral in any combination consisting of both real and personal property, together in one sale to be held in accordance with the law and procedures applicable to real property, if and as permitted in the Project State. Borrower agrees that such a sale of personal property constitutes a commercially reasonable sale of the personal property. For purposes of this power of sale, either a sale of real property alone, or a sale of both real and personal property together, will sometimes be referred to as a "Trustee's Sale."

**5.2.7.3 Trustee's Sale Procedures.** Before any Trustee's Sale, Lender or Trustee shall give and record such notice of default and election to sell as may then be required by law. When all legally mandated time periods have elapsed, Trustee shall sell the Collateral being sold at a public auction to be held at the time and place specified in the notice of sale, and Lender may impose such terms and conditions of sale as are permitted or allowed by applicable law. From time to time in accordance with then applicable law, Trustee may, and in any event at Lender's request shall, continue any Trustee's Sale by public announcement at the time and place scheduled for that sale, or may, in its discretion, give a new notice of sale. Also, Lender may from time to time discontinue or rescind any notice of default or notice of sale before any Trustee's Sale as provided above, by executing and delivering to Trustee a written notice of such discontinuance or rescission. The exercise by Lender of such right of rescission shall not constitute a waiver of any Event of Default then existing or subsequently occurring, or impair the right of Lender to execute and deliver to Trustee, as above provided, other declarations or notices of default to satisfy the Secured Obligations, nor otherwise affect any provision, covenant, or condition of any Loan Document or Related Loan Documents, or any of the rights, obligations, or remedies of Trustee or Lender hereunder or thereunder.

**5.2.7.4 Bidding at Trustee's Sale.** At any Trustee's Sale, Trustee shall sell to the highest bidder at public auction for cash in lawful money of the United States, unless other terms and conditions of sale are prescribed by Lender in accordance with and as permitted by applicable law. Any person, including, without limitation, Borrower or Lender, may purchase at such sale, and Borrower hereby covenants to warrant and defend the title of such purchaser or purchasers. Trustee shall execute and deliver to the purchaser(s) at such sale a deed or deeds conveying the property being sold without any covenant or warranty whatsoever, express or implied. The recitals in any such deed of any matters or facts, including any facts bearing upon the regularity or validity of any Trustee's Sale, shall be conclusive proof of their truthfulness.

**5.2.8 Single or Multiple Foreclosure Sales.** If the Collateral consists of more than one lot, parcel or item of property, Lender may: (i) designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and (ii) elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made under the power of sale granted herein, or in connection with judicial proceedings, or by virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions, each of which may be separately

noticed if so elected by Lender and permitted by applicable law; or in any other manner Lender may deem to be in its best interests (any such sale or disposition, a "**Foreclosure Sale**"). If it chooses to have more than one Foreclosure Sale, Lender at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and places and in such order as it may deem to be in its best interests, all as may be permitted under applicable law. No Foreclosure Sale shall terminate or affect the lien of this Deed of Trust on any part of the Collateral that has not been sold until all of the Secured Obligations have been paid in full.

**5.2.9 Credit Bidding.** Upon sale of the Collateral at any judicial or non-judicial foreclosure, Lender may credit bid (as determined by Lender in its sole and absolute discretion) all or any portion of the Secured Obligations. In determining the amount of any credit bid, Lender may, but is not obligated to, take into account all or any of the following: (i) appraisals of the Collateral as such appraisals may be discounted or adjusted by Lender in its sole and absolute underwriting discretion; (ii) expenses and costs incurred by Lender with respect to the Collateral prior to foreclosure; (iii) expenses and costs Lender anticipates will be incurred with respect to the Collateral after foreclosure, but prior to resale, including, without limitation, the costs of any structural reports, environmental reports, or any remediation costs related thereto; (iv) anticipated discounts upon resale of the Collateral as a distressed or foreclosed property; and (v) such other factors or matters that Lender deems appropriate. In regard to the above, Beneficiary is not required to use any or all of the foregoing factors to determine the amount of its credit bid and (a) this Section does not impose upon Beneficiary any additional obligations that are not imposed by law at the time the credit bid is made; (b) the amount of Beneficiary's credit bid need not have any relation to any loan-to-value ratios specified in the Loan Documents; and (c) Beneficiary's credit bid may be higher or lower than any appraised value of the Collateral.

**5.2.10 Determination of Fair Value.** To the extent applicable law requires that the "fair market value" or "fair value" of the Collateral be determined as of the foreclosure date in order to enforce a deficiency against Borrower or any other party liable for repayment of the Secured Obligations, the term "fair market value" or "fair value" shall include those matters required by law and the additional factors set forth below:

**5.2.10.1** The Collateral shall be valued "as is" and "with all faults" and there shall be no assumption of restoration or refurbishment of improvements, if any, after the date of the foreclosure.

**5.2.10.2** An offset to the fair market value or fair value of the Collateral, as determined hereunder, shall be made by deducting from such value the reasonable estimated closing costs related to the sale of the Collateral, including, without limitation, brokerage commissions, real estate excise tax, title policy expenses, tax pro-rations, escrow fees, and other common charges that are incurred by the seller of real property.

Borrower shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.

**5.2.11 Releases, Extensions, Modification and Additional Security.** Without affecting the liability of any person for payment of any of the Secured Obligations, Lender may make any agreement or take any action extending the maturity or otherwise altering the terms or increasing the amount of any of the Secured Obligations, and accept additional security or release all or a portion of the Collateral and/or other security for the Secured Obligations.

**5.2.12 Acceleration Not Required.** Lender may take any of the actions permitted under Sections 5.2.1, 5.2.2, and/or 5.2.3 regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Deed of Trust.

**5.3 Payment of Costs, Expenses, and Attorneys' Fees.** All costs and expenses reasonably incurred by Trustee or Lender in enforcing the remedies available to them hereunder or otherwise protecting Lender's rights or interests (including, without limitation, court costs and attorneys' fees, whether incurred in litigation or not, expenses for evidence of title, appraisals and surveys and trustees' fees, and costs and fees relating to any bankruptcy, reorganization, or insolvency proceeding) shall constitute an additional obligation of Borrower to Lender and bear interest at the default rate of interest set forth in the Note from the date of expenditure until paid.

**5.4 Remedies Not Exclusive.** Trustee and/or Lender shall be entitled to enforce the payment and performance of any Secured Obligations and to exercise any and all rights and powers under this Deed of Trust, any other Loan Document, or any Related Loan Document, notwithstanding the fact that some or all of the Secured Obligations may now or hereafter be otherwise secured. Trustee and/or Lender shall be entitled to enforce all such rights concurrently or separately, in such order and manner as they or either of them may in their absolute discretion determine. No remedy is intended to be exclusive of any other remedy, but each shall be cumulative and in addition to the others, to the fullest extent permitted by law.

**5.5 Application of Foreclosure Sale Proceeds.** Lender shall apply the proceeds of any Trustee's Sale or other Foreclosure Sale to the Secured Obligations first, in the order of application required by law, and thereafter, in any order of application Lender determines in its sole discretion.

#### **ARTICLE 6 ASSIGNMENT**

**6.1 No Assignment or Encumbrance by Borrower Without Lender's Consent.** Borrower acknowledges and agrees that the Secured Obligations are personal to Borrower and that the identity of Borrower and its members, shareholders, partners and employees, and of any guarantors, and the relationship between Borrower and Lender, Borrower's creditworthiness, business expertise, financial condition, and continued control of the Collateral were material inducements upon which Lender relied in arranging the Secured Obligations. Accordingly, Borrower shall not, without Lender's prior written consent or as otherwise expressly permitted in the Loan Documents: (i) sell, convey, assign, encumber, or otherwise transfer any of its right, title, or interest in and to the Collateral or any other Project asset, whether such transfer or encumbrance is voluntary or by operation of law, (ii) sell, assign, or transfer its interest as borrower under the Secured Obligations, or (iii) transfer any stock or other ownership interest that would cause a material change in the control of Borrower (excluding, however, transfers of the interests of limited partners or non-managing members of Borrower if such transfers do not materially diminish the powers of the general partner or manager of Borrower or otherwise cause a material change in the rights to manage and control Borrower). Any attempted assignment without such prior written consent shall be null and void, and of no effect, and shall also constitute an Event of Default.

**6.2 Conditions to Approval of Assignment.** As a condition of approving any assignment, Lender may impose such requirements and conditions as it determines are appropriate in its sole discretion, including, without limitation, the requirement that Borrower and the assuming party pay, in advance, any and all reasonable costs and expenses, including reasonable attorney's and accountant's fees incurred by Lender in connection therewith. No approval of any assignment will release Borrower from any liability under the Loan Documents without Lender's prior written consent, which consent may be freely withheld.

**6.3 Loan Due upon Prohibited Transfer or Encumbrance.** Upon any transfer, assignment, or encumbrance, as described in Section 6.1 for which Lender's written approval is required but has not been obtained, the entire outstanding balance owing under the Note, including principal, accrued interest, and any other amounts owing under the Loan Documents shall become due and payable at Lender's option, without any requirement for notice or demand, and Lender may pursue any remedies granted to it under this Deed of Trust or any of the other Loan Documents.

#### **ARTICLE 7 RIGHTS UNDER CONDOMINIUM LAWS AND CC&RS**

This Deed of Trust shall include the following rights in connection with any condominium project or subdivision to be developed on the Land:

**7.1 Security Interest in Rights Under Condominium Laws and CC&Rs.** This Deed of Trust and Lender's security interest hereunder shall extend to all of Borrower's right, title, and interest in and to any and all units, common elements, development rights, declarant rights and any other rights of Borrower in the Project now existing or subsequently arising under (i) all laws now existing or later enacted relating to condominiums (collectively, the "*Condominium Laws*") and (ii) any covenants, conditions, and restrictions or condominium declaration governing the Project, as the same may be amended from time to time (collectively, the "*CC&Rs*").

**7.2 Representations and Warranties.** Borrower hereby represents, warrants, and agrees:

7.2.1 Not to file, record or, amend any CC&Rs, plat, or condominium survey map and plans ("Survey") in connection with the Project without the prior written consent of Lender, which consent Lender shall not unreasonably withhold;

7.2.2 Not to file, adopt, amend, or cause to be adopted, filed, or amended, any documents establishing or governing any condominium association or homeowner's association for the Project (each an "Association") or governing the actions of owners, including, without limitation, articles of incorporation or bylaws of any Association, design guidelines, or rules and regulations adopted by the Association (any such document, collectively with the CC&Rs and Survey, as any may be amended from time to time, the "Governing Documents"), without the prior written consent of Lender, which consent Lender shall not unreasonably withhold;

7.2.3 To take those steps necessary to ensure that all Governing Documents for the Project comply with the condominium requirements, if applicable, of the Federal Housing Administration, the VA, the applicable version of the Fannie Mae Selling Guide, and the applicable version of the Freddie Mac Single-Family Seller/Service Guide;

7.2.4 To satisfy all obligations of, to make all payments due from, and to observe and perform all terms and conditions to be performed by, Borrower (whether as a unit owner; Association member, director, or officer; or declarant) under the Governing Documents, Condominium Laws, and other applicable law;

7.2.5 During any period of Borrower's declarant control, to cause the Association's officers and directors appointed by Borrower to comply with the Governing Documents and applicable law;

7.2.6 To prepare and file such annual reports and other documents as may be necessary to maintain entity registration of any Association controlled by Declarant or an affiliate of Declarant, in the state where the Project is located;

7.2.7 Not to take any action that would render the Project a "conversion condominium" under applicable law; and

7.2.8 To pay all charges, including all common expenses liabilities and assessments (special or general), insurance, taxes, and other items Borrower is or may later be responsible for paying under the Governing Documents, Condominium Laws, or other applicable laws.

7.3 Proxy. Until such time as this Deed of Trust is fully reconveyed of record, Borrower pledges to Lender its vote and constitutes Lender as Borrower's proxy (which appointment is coupled with an interest) with sole right to vote upon:

7.3.1 any partition of all or any portion of the Land subject to a condominium declaration;

7.3.2 the nature and amount of any insurance with respect to any such property and disposition of any proceeds thereof;

7.3.3 the manner in which any condemnation or threat thereof shall be defended or settled;

7.3.4 determination as to whether or not to restore or rebuild any portion of the Improvements;

7.3.5 assessment of any expenses other than routine periodic assessments; and

7.3.6 removal of all or any portion of the Land or Improvements from the provisions of the Condominium Laws.

Notwithstanding the foregoing, during the occurrence of any Event of Default, at Lender's election, Borrower shall pledge to Lender its vote(s) and constitute Lender as Borrower's proxy (which appointment is coupled with an interest) with sole right to cast its vote(s) on all actions of any nature whatsoever submitted to a vote of the members of any Association governing any portion of the Project. Borrower hereby authorizes Lender, as Borrower's attorney-in-fact, to execute and deliver any such proxy to the Association.

7.4 Authorized Representative. Lender is hereby appointed Borrower's authorized representative (which appointment is coupled with an interest) for the inspection of books and records as

provided in the condominium declaration and/or bylaws, which appointment is irrevocable until such time as this Deed of Trust is reconveyed of record as herein provided.

- 7.5 Notices, Etc.** Borrower will provide, upon request of Lender, true and correct copies of:
- 7.5.1** any notices to the members of the Association;
  - 7.5.2** minutes of any Association meetings including owners meetings and Board meetings;
  - 7.5.3** any statement of financial condition of the Association, including any budgets or proposed budgets;
  - 7.5.4** any statement showing allocation of proportional occupancy, expenses and assessments issued to Borrower;
  - 7.5.5** any notice of default issued to Borrower;
  - 7.5.6** any Public Offering Statement prepared for the Project; and
  - 7.5.7** any amendment or proposed amendment to the Governing Documents.

**7.6 Payment of Common Expenses.** Unless prohibited by law, Lender or Trustee, either prior to, contemporaneously with, or subsequent to the foreclosure of this Deed of Trust, or while pending the expiration of any applicable redemption period subsequent to a judicial foreclosure and sale upon execution of the Project, may pay common expenses for which Borrower may be liable to an Association, and subsequent to such payments Lender shall have a lien without merger on the Project for the amount paid of the same priority as the lien of this Deed of Trust, or if subsequent to sale or execution, said lien shall be prior to any lien held by any redemptioner as defined by law. If Lender is the successful bidder at any sale upon execution subsequent to a judicial foreclosure and obtains possessory rights to the Collateral subject to redemption by the judgment debtor or redemption as defined by law, any payments made by the Lender or its successor in interest to satisfy condominium assessments levied and payable during the redemption period shall, in the event of any redemption, be recoverable by Lender from the judgment debtor or its successors in interest, or any redemptioner in the same manner as any other assessment or tax would be recoverable.

**7.7 Condominium Insurance.** The insurance provisions of this Deed of Trust shall be deemed satisfied so long as, upon establishment of an Association for the Project, the Association maintains (a) an "all risk," special form property policy on the condominium project that provides 100% replacement cost insurance coverage, and includes business interruption coverage (and flood insurance if applicable) from a company or companies with a Best Guide rating of A:V or better, providing a Lender's Loss Payable Endorsement form 4388FU in favor of the Lender, and (b) a Comprehensive General Liability policy with limits of not less than \$1,000,000 combined single limit per occurrence and \$2,000,000 aggregate.

**7.8 Required Consent of Lender.** Borrower shall not, except with Lender's prior written consent:

- 7.8.1** create or sell condominium units in phases; Lender must specifically approve the structure of any phasing plan and any amendments to the condominium declaration for the purpose of adding additional phases to a condominium project;
- 7.8.2** convert condominium units or any portion thereof into common elements;
- 7.8.3** partition or subdivide the Land or the Project;
- 7.8.4** take any action that would render the Project a "conversion condominium" under applicable law;
- 7.8.5** consent to the abandonment or termination of any condominium project, except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of taking by condemnation or eminent domain; or
- 7.8.6** consent to any material amendment to the Governing Documents, including, without limitation, any amendment that would change a condominium unit owner's allocated interest in the common elements of a condominium.

**ARTICLE 8  
MISCELLANEOUS PROVISIONS**

**8.1 Additional Provisions.** The Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this Deed of Trust. The Loan Documents also grant further rights to Lender and contain further agreements and affirmative and negative covenants by Borrower that apply to this Deed of Trust and to the Collateral.

**8.2 Cooperation.** Borrower shall, upon request, cooperate with Lender or Trustee to correct any defect, error, or omission that may be discovered in the contents of this Deed of Trust or in the execution or acknowledgment hereof, and will execute, acknowledge, and deliver such further instruments and take such further actions as may be reasonably requested by Lender or Trustee to carry out more effectively the purposes of this Deed of Trust.

**8.3 Obligations of Borrower, Joint and Several.** If more than one person has executed this Deed of Trust as Borrower, the obligations of all such persons hereunder shall be joint and several.

**8.4 Severability.** If any term of this Deed of Trust, or the application thereof to any person or circumstances, shall, to any extent, be invalid, void or unenforceable, the remainder of this Deed of Trust, or the application of such term to persons or circumstances other than those as to which it is invalid, void or unenforceable, shall not be affected thereby, and each term of this Deed of Trust shall be valid and enforceable to the fullest extent permitted by law. If the lien of this Deed of Trust is invalid, void or unenforceable as to any part of the Secured Obligations, or if the lien is invalid, void or unenforceable as to any part of the Collateral, the unsecured or partially secured portion of such indebtedness shall be completely paid prior to the payment of the remaining secured or partially secured portion of such Secured Obligations, and all payments made on such Secured Obligations shall be considered to have been first paid and applied to the full payment of the unsecured portion of such indebtedness.

**8.5 No Waiver or Cure.** No waiver or delay or omission in the exercise or enforcement by Lender of any of its rights or remedies hereunder or under any of the other Loan Documents shall be considered a waiver of any subsequent application of, or right to enforce, such right or remedy, or of the right to enforce any other right or remedy of Lender in another instance. Furthermore, no waiver of Lender's rights or remedies in one or more instances shall establish a course of dealing or other agreement that will bind Lender or prohibit Lender from enforcing the terms of this Deed of Trust or any other Loan Document in another instance.

**8.6 Additional Security.** If Lender at any time holds additional security for any of the Secured Obligations, all such security shall be taken, considered, and held cumulatively, and Lender may enforce the sale thereof or otherwise realize upon the same, at its option, either before or concurrently with the exercise of any of its rights or remedies hereunder or after a sale is made hereunder. The taking of additional security, the execution of partial releases of the security, or any extension of the time of payment of the Secured Obligations shall not diminish the force, effect, or lien of this Deed of Trust and shall not affect or impair the liability of any maker, surety, or endorser for the payment of any such indebtedness.

**8.7 Imposition of Tax.** For purposes of this Section, "Tax" means: (a) a specific tax on deeds of trust or on all or any part of the indebtedness secured by a deed of trust; or (b) a specific tax on the owner of the Collateral covered by a deed of trust which the taxpayer is authorized or required to deduct from payments on debt secured by the deed of trust; or (c) a tax on property covered by a deed of trust chargeable against a beneficiary or trustee under the deed of trust or the holder of the note secured by the deed of trust; or (d) a specific tax (other than an income tax or a gross receipts tax) on all or any portion of the obligations secured hereby or on payments of principal and interest made by a grantor under a deed of trust. If any Tax is enacted subsequent to the date of this Deed of Trust, enactment of the Tax shall constitute an Event of Default, and Lender may exercise any or all of the remedies available to it upon the occurrence of any Event of Default, unless the following conditions are met: (i) Borrower can lawfully pay the Tax without causing any resulting economic disadvantage or increase of tax to Lender or Trustee; and (ii) Borrower pays the Tax (including any tax on the payment made) within 30 days after notice from Lender that the tax law has been enacted.

**8.8 Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by Borrower and Lender.

**8.9 Successors in Interest.** Subject to the limitations on transfer contained in the Loan Documents, the terms, covenants, and conditions herein contained shall be binding upon and inure to the

benefit of the heirs, legatees, devisees, administrators, executors, successors and assigns of the parties hereto.

**8.10 Modification and Extensions.** References to the Note, the Loan Agreement, the Loan Documents and the Related Loan Documents in this document shall be deemed to include all modifications, extensions, and renewals thereof.

**8.11 Applicable Law.** The provisions of this Deed of Trust shall be governed by and construed in accordance with the laws of the Project State, without regard to the choice of law rules of the Project State and except to the extent that federal laws preempt the laws of the Project State.

**8.12 Merger.** No merger shall occur as a result of Lender's acquiring any other estate in or any other lien on the Collateral unless Lender consents to a merger in writing.

**8.13 Waiver of Marshaling.** Borrower waives all rights, legal and equitable, it may now or hereafter have to require marshaling of assets or to require foreclosure sales of assets in a particular order. Each successor and assign of Borrower, including any holder of a lien subordinate to this Deed of Trust, by acceptance of its interest or lien, agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

**8.14 Unsecured Obligations.** Notwithstanding anything to the contrary set forth herein or any of the Loan Documents, this Deed of Trust shall not secure the following obligations (the "**Unsecured Obligations**"): (a) any obligations evidenced by or arising under an Independent Indemnity, and (b) any other obligations in this Deed of Trust or in any of the other Loan Documents to the extent that such other obligations relate specifically to the presence on the Land of Hazardous Substances (as defined in the Loan Agreement) and are the same or have the same effect as any of the obligations evidenced by or arising under any Independent Indemnity. Any breach or default with respect to the Unsecured Obligations shall constitute an Event of Default hereunder, notwithstanding the fact that such Unsecured Obligations are not secured by this Deed of Trust. Nothing in this Section shall impair or limit Lender's right to obtain a judgment in accordance with applicable law after foreclosure for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure.

**8.15 Notice.** All notices, requests, demands, or other communications required hereunder shall be in writing and shall be sent to the necessary parties at their addresses set forth in the Loan Agreement or to such other addresses as such parties may designate in writing. All notices hereunder shall be effective three (3) days after deposit in the U.S. Mail, postage prepaid, registered or certified mail, return receipt requested, or upon delivery, if delivered in person to the appropriate address.

**8.16 Counterparts.** This Deed of Trust may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this Deed of Trust to physically form one document for recording purposes.

**8.17 Disclosures/Disclaimers.** Lender makes the following disclosures and disclaimers in connection with this Deed of Trust:

**8.17.1 Actions Solely for Benefit of Lender.** Any and all subsequent purchasers of the Collateral, and any other parties acquiring an interest in the Collateral, are hereby put on notice that any inspection or approval of any part of any development, construction, renovation, or improvement of the Collateral by Lender or any agent of Lender shall be made exclusively for the benefit of Lender, and Lender makes no representations whatsoever to any third party acquiring any interest in the Collateral. Such third party shall have no rights of reliance upon any action taken by Lender. Lender makes no representations whatsoever to any third party as to the adequacy or legality of any action of Borrower, and any action of Lender is solely for the benefit of Lender.

**8.17.2 Adjustable Rate Note.** The Note contains provisions permitting (a) increases and decreases in the rate of interest provided in the Note, and (b) increases and decreases in the periodic payments required under the Note.

**8.18 WAIVER OF JURY TRIAL.** BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, OR RELATED TO, THE SUBJECT MATTER OF THIS DEED OF TRUST OR THE OTHER LOAN DOCUMENTS. THIS WAIVER IS KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY MADE BY BORROWER, AND BORROWER ACKNOWLEDGES THAT NO PERSON

ACTING ON BEHALF OF LENDER HAS MADE ANY REPRESENTATIONS OF FACT TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. BORROWER FURTHER ACKNOWLEDGES THAT BORROWER HAS BEEN REPRESENTED (OR HAS HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF THE LOAN DOCUMENTS AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF BORROWER'S OWN FREE WILL, AND THAT BORROWER HAS HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.
